**Spin Event Management Certified By the Women's Business Enterprise National Council**

*Women-owned business completes meticulous process to demonstrate capabilities to government and corporate members.*

**DENVER, CO, March 22, 2017** — [Spin Event Management](http://www.spineventmanagement.com), a business specializing in corporate event management, planning and event marketing, is proud to announce national certification as a Women's Business Enterprise by the Women's Business Enterprise West, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

"We are honored and excited to receive our certification and become a part of the WBEC West community," says Kimberly Schmitz, President/CEO of Spin Event Management. "The world-class certification program allows us how to increase our exposure and opportunities as a woman-owned business and demonstrate our capabilities to various government agencies and corporate members."

WBENC's national standard of certification implemented by the WBEC West is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier diversity programs.
